GOOD TO KNOW

One cart, one experience

Each booking is a single cart, fully focused — this is intentional. To combine a PlayCart experience with other Toddle services (décor, entertainment, activities), book them as separate line items for the same event.

Notice period

PlayCart books out quickly — 14 days' advance notice is recommended, particularly for weekends and the September–November birthday peak.

Space & setup

A 3m × 3m flat indoor or shaded outdoor area works for any cart, with a single power socket within reach. We bring everything else.

Venues

Homes, hotel ballrooms, nurseries, community clubhouses, gardens and outdoor venues — we adapt to any setting across the UAE.
