

Science Party Entertainment

Mad-scientist shows, hands-on experiments & science-themed favours

SIGNATURE SHOWS

Our resident scientists bring the spectacle straight to your party

Nutty Professor

30 MINUTES · AGES 3+

A wacky, wildly funny professor character running hands-on science tricks the kids get involved in from start to finish.

AED 1,350

Science Cryo Show

30 MINUTES · ALL AGES

Spectacular liquid-nitrogen effects — dramatic fog, frozen reactions and a real wow-factor finale for guests of all ages.

AED 2,000

SCIENCE WORKSHOPS & ACTIVITIES

Hands-on experiments every little scientist can take home

Potion Making

Mix & fizz reactions — little scientists love it.

AGES 3+

Kit AED 45 · WS AED 65

Slime Making

Glitter & loaded slime, charms and textures.

AGES 3+

Kit AED 45–80 · WS AED 60–90

Volcano Explosion

The classic reaction — kids love the eruption.

AGES 3+

Kit AED 40 · WS AED 55

Lava Lamps

DIY lava lamp science, a take-home experiment.

AGES 3+

Kit AED 40 · WS AED 55

Terrariums

Build a mini world in a jar — a take-home keepsake.

AGES 3+

Kit AED 75 · WS AED 90

SCIENCE PARTY FAVOURS

Take-home treats to keep the experiment going

Science in a Jar

A layered science-in-a-jar favour, customised to any theme.

Ages 4+

AED 45–65

Potion Kit

A mini potion-making kit to take home and repeat the magic.

Ages 3+

AED 45

Fizzling Potion Mix

A fun fizzing reaction mix, ready to take home.

Ages 3–10

AED 35

DIY Slime Kit or Ready Jar

A slime kit or ready-made jar, customised to any theme.

Ages 3+

AED 40

Complete the theme — we also offer science-themed decor and backdrops: lab-coat colour palettes, molecule & beaker motifs, and themed table styling. Ask us for a custom quote.

All prices are indicative and exclude 5% VAT. Kit = take-home kit (self-guided) · WS = fully staffed workshop. Any workshop or favour can be themed to match your party.
